

## **EnergiseLegal case study**

### **For Solicitors/Career Management/Career Transitions**

#### **Mid-pandemic move across the world**

##### **The Brief**

- To return to the UK to live and work.
- To improve work life balance and find a better culture fit.

##### **Our Role**

- Help our client create a S.M.A.R.T. life and career goal and plan to relocate from the United Arab Emirates back to Europe during the global pandemic.
- Provide career coaching exercises which helped them identify why they were feeling unfulfilled at work and what they really wanted next professionally.
- Redesigned their CV to a skills format which better showcased their talents.
- Recommended that they created a 'hotlist' of 10 target employers which built upon their sector specialism in hospitality.

##### **The Result**

- A positive and focused career vision for their personal and professional future.
